

Project Department: Leisure and Cultural Services Department

Project Title: Incorporation of Renewable Energy Technologies (Solar Lamp Pole) and Associated Improvement Works at Pui O Campsite and Pui O Beach

Project Brief: Pui O Campsite and Pui O Beach have been increasingly popular especially during weekends and holidays. By replacing the existing lights with solar lights, with public education to be launched in tandem, this project aims to improve illumination of Pui O Campsite and Beach, and promote public awareness on renewable energy and conservation.

Project Status: Substantially completed.

Project Layout Plan:

部門：康樂及文化事務署

工程項目名稱：在貝澳營地及泳灘引入可再生能源技術(太陽能燈柱)和相關改善工程

工程項目簡介：貝澳營地及貝澳沙灘於周末和假日越來越受歡迎。本工程項目旨在透過更換現有照明燈至太陽能燈，同步推行公眾教育，從而改善貝澳營地及沙灘的照明，以及提升公眾對可再生能源的認知及保育的意識。

工程概況：大致完成。
